ABOUT ME

I am a passionate and reliable media professional with a strong foundation in creative work, radio broadcasting, video production, and project management. Over the years, I've developed a diverse skill set, working in various creative roles, including hosting and producing a radio show, directing music videos, and managing a record label. With an unwavering commitment to expanding my technical abilities and pushing my creative boundaries, I am focused on building a career in the media industry.

EXPERIENCE

Self~Titled FM - Volunteer Presenter & Producer

Sunbury Radio | August 2023 - Present

I currently host *Self~Titled FM*, a weekly live radio show that features live performances, in-depth artist interviews, and curated playlists celebrating Melbourne/Naarm's vibrant music scene. I am responsible for organizing the show, booking guests, and producing live segments, while also maintaining the technical operations of the broadcast.

- Curating and presenting music from local artists, including live in-studio performances
- Managing production and technical operations during live broadcasts
- Building and maintaining strong relationships with local bands and musicians
- Leading show production and creative direction

Self~Titled Records - Founder & Label Manager

Self~Titled Records | 2024 - Present

As the founder of *Self~Titled Records*, I manage a roster of local Melbourne artists, providing them with the support they need to develop and distribute their music. I oversee all aspects of the label's operations, including artist relations, branding, and music promotion.

- Managing artist development and branding
- Overseeing music release strategies and promotional efforts
- Coordinating live performances and events

- Leading creative direction for label campaigns and releases

Pilgrim~Films - Director/Producer

Pilgrim~Films | 2017 - Present

I have directed, shot, and edited a range of music videos, short films, and promotional content. I work closely with artists and clients to bring their vision to life through visual storytelling.

- Directing, producing, and editing music videos for a variety of local artists
- Collaborating with creative teams and musicians to execute projects
- Managing all stages of production, from pre-production through post-production
- Proficient in camera operation, lighting, and editing software

COCO BANANAS - Record Store & Cafe Staff

December 3, 2024 - Present

At Coco Bananas, a record store and café, I sell vinyl, CDs, and manage online orders, while also making coffee and milkshakes. The role allows me to combine my passion for music with excellent customer service in a unique environment.

- Selling vinyl records and CDs while providing customer service
- Processing and shipping online orders
- Preparing coffee and milkshakes in the café section

COLES - Deli Team Member

August 2022 - December 2, 2024

At the deli, I was responsible for customer interactions and product presentation, ensuring a clean and professional service environment.

- Handling and presenting deli products with care and attention
- Interacting with customers and assisting with product selection
- Leading team efforts during closing hours

GAZMAN - Online Fulfillment Team Member

December 2020 - February 2022

My role involved managing customer orders and ensuring timely and accurate dispatch. This position allowed me to develop strong organizational skills and attention to detail.

- Picking and packing customer orders within company timeframes
- Processing and compiling customer orders
- Managing stock and inventory
